

At Cafs we care about our people, our clients and our community

It's rewarding

- Opportunity is everywhere you look. Join a team where no two days are the same.
- Generous above award salary and leave benefits.
- Ability to make a real difference to the lives of people in the community.
- Staff Rewards Program.

We're inclusive, diverse and welcoming

- We welcome all people as their full authentic selves.
- We foster inclusion and diversity in all that we do.
- Our values are at the core of everything we do.
- We pride ourselves on being an award winning, inclusive organisation.

We value learning and development

- Access to over 60,000 online training resources.
- Tailored leadership and learning pathways for all programs and positions.
- We look within Cafs to provide opportunities for development, promotion and advancement.
- We create and provide opportunities for students, graduates and interns by providing on the job training.

We think differently

- We pride ourselves on being innovative and creative in our approaches to supporting our team.
- We value everyone's unique approaches and views.
- We support our teams through Emerging Leaders Program, learning pathways and development opportunities to support the growth of our team members.

Your safety and wellbeing are important to us

- Flexible work arrangements.
- We pride ourselves on building strong, authentic and positive manager and employee relationships.
- We are proactive and support the wellbeing and safety of our people.
- Employees have access to Cafs Wellbeing Program including Employee Assistance Program, flu immunisations and annual health checks.

With all of this on offer and more why would you work anywhere else?
